“ One of my favorite teachers. The history reports on current events and other topics that she required, prepared me for public speaking. She was a great person and teacher. She had no " favorites" in her class that I could tell. She treated us all with respect. Prayers for the family.

“ Mrs. DuBose has been a dear friend of mine for many years. She taught me social studies in the 7th grade, and I loved her as a teacher. Then, when I became a teacher myself, I was able to work with her. She was a wonderful mentor to me, and became a great friend. We shared many laughs and some rough times together. I know she is in Heaven with the love of her life, her beloved husband Max.

I Loved "Mrs DuBose" so much ... I still do. Of All the teacher's I ever had, She Was The Best. I developed Love of History Because She Made It Fun. My Introduction to China was in Her Classroom, NOT Wal-Mart. "Mrs DuBose" was a True Gem amidst the Stones. I will Always Remember Her Dearly.
