*Bruce and Family,
My sincere condolences at the great loss of your Mother. My family, especially my Mother loved her so dearly because she gave my Mom you. I often wondered if she loved me half as much as she did you. The last time I took Mom and Dad to St. Matthew together you were getting a new minister. He was late arriving so you came in and played. Mom's words (they both no longer could whisper), well I'd rather hear Bruce play anyway. I thought your Mother was going to lose it laughing. Your Mother was a true lady and loved people, loved to serve, and loved her family. What a great legacy she leaves for all of you. God bless you during this difficult time and may God give you peace and comfort .*
