“ I had hoped to attend Charlene’s celebration but we are away from home. I was a high school friend who thought a lot of Charlene and Lynette. Charlene was a free spirit and envied her outlook on life. Facebook allowed me to reconnect and in adulthood I still envied her. I was hoping to see others but maybe life will give us another opportunity. If not, for those of us walking in Christ we will eventually have a great reunion. Prayers for peace and comfort. Losing siblings is like losing a best friend.
