“ *I met Clant in 2018 when we had a new kitchen put in and he came and painted all of the cabinets. I learned more from that young man about painting then I ever did in my life. I worked alongside of him for three weeks and he was an absolute pleasure. When I ran into Rhonda today September 10th, I asked her how's Clint doing and she told me the news. He's been on our minds all day and I'm just so so sorry to hear of this. He will forever be in our hearts.*
