“ *I shall never forget the special loving relationship Ms. Daisy Polson had with her husband Rabon. He always called her Ms. Puddin because she was from a small area called Puddin swamp. She touched many lives as she taught them to sew. It was an honor for me to know Ms. Puddin for over sixty five years. Its now that she has just begun to live forever in her new home established for her as Jesus said he was going to do. Love to the family.*

My love and sympathy to Howard and Beverly. Miss Daisy Bell was a dear sweet friend to my family for as long as I can remember. How I enjoyed going to their home ! It's good to think that she, Mr. Rabon , Daddy and Mama are together again. They enjoyed spending time together . Always such fun and good times . Heaven has welcomed a sweet soul.

“ Mrs. Daisy Belle was such a sweet lady. Always had a smile on her face and always willing to help whenever and wherever she could. She was a blessing to me and my family and especially to our church St. Matthew UMC. She is dearly missed and she has been for a while now.
