

Mr. Daniel Craig Moore

November 1, 1975 - February 8, 2023

It is with deep sorrow that Ms. Lauren Moore announces the death of her beloved father, Mr. Daniel Craig Moore, 47.

Mr. Moore entered into rest on Wednesday, February 8, 2023. The Directors of Hancock-Elmore-Hill Funeral Home are caring for the family.

Mr. Moore was born in Sumter County, SC, he was the son of the late Marion LaBruce Moore and Miriam Amerson Moore.

He graduated from Robert E. Lee Academy in May of 1993 and worked for Coca-Cola for a period of his life. He had the best memory and could remember every single date like the back of his hand. He never could stay mad for long and was what I would call a "Gentle Giant."

He was very kindhearted and had a smile that was contagious. He loved his friends and family beyond words and also loved his cat, "Lacy." He never failed to turn a bad day into a good one with just a phone call. Overall, he was a loving, compassionate, and God-fearing man.

He was proud to be a son, brother, and friend, but most importantly, a father.

“ *How do I sum up the last 47 years of my life with my little brother? It's impossible! He had beautiful soul and a heart the size of Texas. Kind to everyone and never met a stranger. Some of my fondest memories are with Danny growing up. Most recently, rolls reversed and Danny had been taking care of me due to my recent disability running errands, taking me to doctor appointments, and taking Liza my Shepard for rides. He never hesitated to do anything I needed him to do for me. We were so close. I miss him more than words can say and loved him so much. I find comfort in knowing he's with his mama and daddy now and the demons that plagued him are gone. RIP my "Big" little brother. ❤️*
