“ *She was family! I started going to her house to play when I was only 5 or 6. She would come home from work, cook a great meal and sit down and talk, listen, laugh, and made everyone feel wanted! Somehow she always had enough; never knowing how many kids would be there. (Bert, Bistit, Gene, Chip, Janet, me, Herbert and her) Great memory to me. I accidentally messed-up because I was excited to share and called her Aunt Dot, one day and was embarrassed. She never skipped a beat, telling me it was alright and I could always call her Aunt Dot! Even this year, when she came over to see Mama. She was family and blessed me with her love ❤️.*

“ *She was good neighbor, had an amazing green thumb and most of all, a very dear friend.*
