“ *Aunt Dot would take us down to the little store by her house and get us a soda and a candy bar after we picked beans in the field all morning. She was always a gentle person and kind to anyone. I used to hope that my hair would get as long as hers. She has such beautiful hair. Aunt Dot I know that you are Happy in the Heavens above. I will miss you but you will always be in my Heart . I will see you on the other side one day. Until then I LOVE you. Love, Tammy (Evans) Bridges*
