“ *We've been together at church from the nursery to the youth group and made it to the senior citizens table. My heart will be heavy when I walk in and look to my left. Your words to me the night before your departure give me comfort and assurance. As you said, "God has you in His hands".*

Until we meet again... Beverly Blalock.

To the Woodie family, so sorry to hear of the loss of your love one. He played baseball with my son Sammy (Sam) McElveen. Their coach was Mr. Bridges Teal. They had a league and played mostly in Sumter and we would stop and pick him up for the games. I along with my son Sam sends our deepest sympathy to each of you in your loss. Such a young age, my son is 67. May God give each of you comfort, strength and peace in your loss. God Bless each of you. Clara McElveen

“ We are so sorry for your loss. You and your family are in our thoughts and prayers. I grew up with Harry. His mom used to keep me when I was young. The last time I saw him in IGA, he caught me up on his family and church. He loved the Lord and his family so much.
