“ Although we are 35 yrs apart in age, we gravitated to each other once I met him at Invista. He trained me daily to pass on a wealth of knowledge that he had acquired during his time there. After he retired, I would stop by and check on him and his dog "Lady", who never left his side. There's not many that I can call a friend, but since 2007, Howard has truly been a friend. My heart goes out to his family and loved ones.

“ Though I haven't seen Mr. Jordan in years, I will never forget how much he helped my dad when my dad was building his Chevelle. My dad always thought so much of Mr. Jordan! The last time I saw him was at the Pilot in Bishopville and he had tractors being pulled behind his truck. He was a wonderful man.
