“ Nancy, I am so sorry to hear of John’s passing. Growing up with that entire family was always so much much and then you and I played a lot together in middle school. John was always wanting to pick on us girls and pull pranks, he loved to joke around. Our prayers and thoughts go out to Nancy, Zack, Brittney. We will definitely be missed. Pray for God to wrap his arms around all of you and bring you peace and strength. May God Bless. Much Love, Ervin and Jackie Ellison Gibson

“ *I am very saddened to hear of John's passing. I haven't seen him since he was 13 or 14 years old, but he was always sweet and funny. I used to spend a lot of time at their house I was friends with Cindy for a long time and the whole family always made me feel welcome. Over the years, everyone went different ways and we all lost track. Looking at the memories and the photos, it looks like he became a wonderful young man with a wonderful family. My heart goes out to all of you, but I can tell he was very proud and full of love for you all and will continue to look over you. Prayers for comfort and strength, as well as the ability to smile at the memories.*

“ So sorry to hear of John’s passing. We were close friends a few years as teenagers. We hung out at each other’s home a bit, and Mrs. Doris welcomed me as part of the family. Anyone that knew John back then probably remembered his unique “wheely” riding ability.

On a ten speed bike, which was even more unusual to see. He could leave his home and ride across town on the rear wheel only. I remember playing pick up football with John and others in the neighborhood. Some of the best memories of growing up in a small town, during a time you could sleep with the doors unlocked.

As we grew up we lost touch, but were in contact with each other a few times over the years. I stopped by his and Nancy’s home unexpectedly one day, and was able to spend a little time with him and catch up some. I met one or maybe both of his children that day and was very impressed with the respect they showed me.

Obviously John and Nancy “raised them right”. I know he was very proud of them both, as he talked about them the next time we spent a little time together.

My prayers to Nancy, Zachary, Brittany, Donna, Cindy, Mrs. Doris, and the other family members I didn’t have the pleasure of meeting. May God give you a special peace you didn’t realize possible, as he has done for me.

Words cannot express the sorrow that we are feeling in our hearts after learning of the passing of our cousin. He was a fine man. May it be of some comfort to know that you and your family will be in our thoughts and prayers now and in the coming weeks ahead. Even though we can not be with you all right now, God will be with you; comforting you as only He can!
