“ I am so sorry for your loss. You all will be in mine, and my husband's, and my mom's thoughts and prayers. One of my favorite memories to this day is, I was spending one of many nights over. He was talking to Brandi and I, and he pulled us on his lap and gave us this big, huge bear hug saying that he loved his girls so much, and that included me. He loved watching Planet of the Apes and Star Wars, it seemed never to fail when we wanted to watch a Disney movie he was already watching one of the two. Cherokee treated me like family. Growing up my dad wasn't there, so when I came over, and he was there, it felt so nice. I don't know if he knew how much that meant to me. Brandi has been my best friend since 3rd grade. I will never forget him., or the kindness he shared with me.
