“ *I'm so sorry to hear of the passing of your loving and devoted mother, grandmother, great grandmother, and great-great grandmother. I know that all of you will miss her dearly, and that family holidays, reunions, and everyday "drop-ins" just to visit will never be the same, and that her presence with you will be deeply missed.*

The only comfort that we have in life and in the death of our mortal bodies, is the undeniable fact that Jesus Christ has welcomed her sweet spirit and soul home. She has seen His face. Can you imagine?

Love each other and hold onto one another dearly. Express your love with remaining family and celebrate her life with you, and praise God, that after such a beautiful long life, she has finally heard from her Savior's own lips: "Well done, good and faithful servant".
