“ We will always remember my Aunt Louise as “aunt Weezie”. She was the sweetest & most loving soul. The months she spent with my daddy before his passing was one of the most selfless acts I have seen and I also know it would have been much harder without her! I have such cherished memories of playing ball in her yard and some of the best food I’ve ever eaten in her kitchen ❤️ She holds a special place in my heart. Love to all the family, wish I could be there with you. You are all in my heart & prayers always. Loving you from Texas!
