“ Mike, David, and Robin my thoughts and prayers are with each of you. Your mother was such a very special lady. I have so many memories of her when I grew up and lived in Bishopville. I was so happy to have been able to see and talk with her at a few reunions and weddings. My heart goes out to the three of you and all of your families!

“ I will always have sweet memories of Mrs. Jeffords as she taught us music at the Bishopville Primary School. I will always believe that she had a special gift that she shared with each of us and the love of music was that gift. To each of the Jeffords' boys, you are in my thoughts and prayers.
