“ We at Rodeheaver Boys Ranch in Palatka, Florida never had the honor to meet Ms. Margie Atkinson, but we met her wonderful son Mr. Lewis or as some of us call him Uncle Lewis, many years ago. He & his darling wife Ms. Viv, because of their love for children no matter race or creed, have become heroes to the boys at Rodeheaver Boys Ranch. They come & check on us several times a year & make sure we have what we need to take care of each boy. They pray for us & we have felt their prayers. Also their daughter Denise & her family have been faithful donors being sure that the young men who come here from all sorts of sad situations will have opportunities to go forth & become great men who will change our world. So by this family's testimony, we are sure that Ms. Margie (mom, grandmother, & great grandmother) had to have been a great woman. What a legacy! We'll stand by you, Ms. Margie, in Heaven one day because you cared for others while you were here on earth.
