“ I remember Martha as a Very Ambitious, Independent, Adventurous Woman. She has left a richness of her life through her accomplishments. She has touched many people, even those that didn't know her well.

I will always admire Marthas charitable, caring & selfless nature. I will miss the calls, text & sharing the laughter of funny stories about our Grandchildren, Corey & Lillian. She was a loving Spouse to Her Husband, Jim, Best Friend to Jennifer her Daughter & The Second Mom to My Son Camren... who has always loved her as much as he

loves me. Martha adored all her Grandchildren, they were her joy. Martha's kindness was contagious & will live on forever. She was a friend to every fur-baby that crossed her path & her fur baby Sammy, is missing her dearly. She loved unconditionally, was a delight to many & gave comfort to others, including all creatures. I will remember the special times Martha & I spent together. The Wedding Of Our Children, Birth of the Grandkids & Vacations To South Carolina. My deepest condolences to such a Beautiful Family during this time. Martha will be missed by Us all, but she has left a lasting Legacy, through her Children & Grandchildren.

I am thankful God gave

Me moments in life to share spectacular memories, of Martha, as she has left a Lasting Memory for Everyone.

We are fortunate that we had the opportunity to know such a beautiful lady who touched so many people and furry friends with her kindness and caring spirit. We will always remember the love she gave to her family, friends, animals and gardening. She will certainly be missed by all who knew her.

I'm a friend of Jim's and only got to meet Martha a couple of times, but I remember Martha as a very gentle person, filled with class and dignity. The world will be a poorer place without her.
