“ *I remember many years sitting under that big tree laughing and talking while our children were playing. Our trip to the beach, with 4 small kids, Charlene and Gayle and I in a ford pinto. The fun times we had laughing together and crying together. RIP peace my friend.*

My love and prayers go out to Candi, Chip, Coot and their families, May God walk with you in the journey ahead as you move on without your mother, your sister, your aunt.

God Bless each one you and protect you all.

Love, Leigh
