“ *When we were children, my grandmother lived across the street from Marty's grandfather's house. We played often sometimes cheerfully but, most of the time not so good. When I remarried, I moved a few houses down from my childhood home and reunited with Marty. He was always stopping by and visiting with me and a lot of times with Jim too. You could always count of Marty to make you feel good about yourself, a laugh and smile. The stories he would tell us will be forever burned in my head. He was a mess! I loved Marty my buddy and miss him terribly. RIP my old friend. Thoughts and prayers for Diane, Lori and Marty's children and grandchildren. He was so proud of his family and always speaking of them.*

“ *Marty was the sweetest man I've ever known. Family from GA, SC & VA. met for dinner at the be nest BBQ restaurant in SC. Marty was running late but upon his arrival, he sat down by me. Although we had met on past visits to Bishgopvile, I got to really know Marty that night and we stayed in touch through Messenger. He was such an interesting and upbeat man. During our last contact, he told me that he was much better and would be going home soon. He did go home.....not to his earthly home but his heavenly home. Rest in peace, Marty. Someday soon, we will all be reunited in heaven. What a reunion that will be!!!*
