“ *I have known Ricky just about my entire life and could not have  
asked for a better friend. My whole family always commented about  
how polite, well mannered and likeable Ricky was. We had some  
great times together and I will always look back on them fondly. My  
prayers of comfort go out to the Watford family during this time.  
Ricky always knew he was a lucky man to have such a great family.*
