“ Uncle Bobby, where do I begin, with a heavy heart my memories take me to you always joking/tormenting everyone and laughing. We always looked forward to the Little Reunion for your visits! You are already missed sweet man. You had a HEART of GOLD, I only came to you and Virginias home a handful of times, but each time you always greeted me and my family with open arms, and welcomed us to your home. I will always cherish the memories I have of you! Heaven has gained a sweet angel. We will see you again. Love you!
