“ *Dear Suzi and family. So sorry to hear this news. I have wonderful memories of our time together at Warner. Also thinking of your wedding and how your moms cat watched me make your bridal bouquet. Know that I am with you in spirit and will always treasure my memories of you and Bob. He was the best roommate I ever had, and was like a brother to me at Warner. All my love and warm wishes, John Stahl “Johnny”.*

“ I have many warm memories of the fun Bobby and I had growing up. Only we knew the innocent, fun times we had and the pranks we got away with. When I was married, Bobby stood by my side as my Best Man, my friend. I regret that we lost touch, I will miss my buddy. Rick Gressman

“ Robert and myself worked together st Southeast Milk and Early Trucking. He loaded milk on days and I loaded at night. Sure enjoyed the chats about his cows,deer hunting and his home. Both of us then went to ETC where we just transported milk. Every time we saw each other we would always take time to chat before heading out. Gonna miss my buddy.
