“ *Terry was the character of all characters. His presence in a room always made it a brighter place . He was always a hoot to see . He was the friend you didn't see much at all but when you talked to him it was just liked you talked every day. God bless you buddy . We all miss you and I'm sure your buddy Tippy will miss you most . I'm sure he is already making someone else laugh and if they want to roast some oysters!!! God speed friend*
