

Ms. Tracey Deanne Bedenbaugh

April 16, 1961 - February 22, 2018

Tracey Deanne Bedenbaugh, 56, of Bishopville, SC, passed away on February 22, 2018. She was born April 16, 1961, in Bishopville to the late Emory H. and Patricia B. Bedenbaugh. Surviving are her four siblings, Mike (Mitzi) Bedenbaugh, Cathy (Steve) Ballentine, Tony (Laura) Bedenbaugh, Todd (Beth) Bedenbaugh and beloved nieces and nephews.

Tracey was employed with Carolinas Hospital System in Florence, SC, for approximately 28 years. Since her illness, she has lived in Charleston, SC, as she was required to be close to MUSC, but there was never a day that went by that she did not think of those she loved back home.

We were all blessed to have Tracey in our lives. Her courage, strength, and spirit were an inspiration to everyone she knew, and her love of life was second only to her love of family and friends. Tracey had a way of reaching out to people by showing love and kindness, and she was an inspiration to all who knew her. We can count ourselves fortunate to have known and loved her, as we were all touched by an angel.

A special thank you to all the doctors, nurses, and staff at MUSC Hollings Cancer Center for their untiring efforts during Tracey's treatment this past year. She could not have asked for or received better medical care or emotional support from everyone there. Another thank you to all members of

“Team Tracey” and all others who participated in fundraisings and those who contributed.

The family has planned a private family graveside service on Sunday, February 25, 2018, with visitation following from 3:00 until 5:00 pm at the family home, 708 West Church Street in Bishopville.

In lieu of flowers, the family would prefer memorials be made in her honor: Tracey Bedenbaugh Memorial, MUSC Foundation/Hollings Cancer Center, 18 Bee Street, MSC450, Charleston, SC, 29425 or use the link: <https://connect2.musc.edu/cancer> and select Hematology (Leukemia, Lymphoma and Blood Cancers).

We appreciate the numerous thoughts and prayers delivered to Tracey and the family during her illness and now at the time of her passing.

Never take LIFE for granted. Live one day at a time. Enjoy your surroundings with your friends and family, and remember your parents are always watching. God has a plan for each of us.

Hancock-Elmore-Hill Funeral Home is serving the family.

“ *I can't think of Tracey without remembering her sweet smile and genuine gentleness that she showed me and her fellow workers each day at Carolina's. I had never met an easier soul to call a team mate in the work place. She will be missed.*

“ To the Bedenbaugh family,
Words cannot begin to express the words I want to say. I've known Tracey for 21+ years & she trained me when I started work at Carolinas Hospital. Through many great days & some not so great you could always count on Tracey to be there! She was standing beside me when I saw my grandson for the first time! She was a dedicated friend & co worker. This picture says what I cannot... in her Smile ...which I will never forget! I wish the family peace and comfort now & through all the coming days ahead. God Bless you all .. may God put his arms around each of you & help you through. I am proud to honestly say Tracey was my roll model. She never gave up & did everything she could with a positive I got this attitude! One which we can all learn from. I have. Thank you T.B. We all will miss you but I can't wait to see you again one day ! My prayers are with the family. She will be missed !
Sincerely... Carmen Howell
