“ *Cynthia, Virgie, Susan and to the entire Family, I'm so sorry to hear about Virgil. He was such a special person to me, our family and all that knew him! He will be greatly missed. Virgil loved his family and in returned he was loved by them. God saw that Virgil had suffered enough. The earth slowed again as the angels gathered Virgil in their arms and lifted him through the clouds to the Golden Gates where his Heavenly Father welcomed him with open arms. God has wiped away all of Virgil's pain and all of tears. We will have a wonderful reunion when our life journey ends and the angels carry us to the Golden Gates where our Heavenly Father and Virgil will be waiting to welcome and embrace us. I know Virgil was saved and was ready whenever God was ready. We would have little talks about this day & prayers. May God be especially close to you all during this time. Know that he is in Heaven with God and the rest of our family! Our prayers are with you and know I love you all!*
