She loved photography and has a bountiful portfolio of photos from her travels and family events over the years. She was a loving wife, Mother, sister, Grandmother and friend. She always had a smile and a piece of life advice for all of her family and friends. She will be missed by so many and her loss will be felt far and wide across the country. “ Mom, I miss you more and more as the days go on. The world certainly does not shine as bright this week without your presence in it. We are all better human beings for knowing you and being loved by you. I hope you enjoyed your reunion with those we have lost over time. Enjoy your rest and your wings, you earned them!
