“ *Uncle Johnny, use to always say Sherry Ann, come give me a hug. Then tell me to sit on his lap to tell me stories. The last time we were together I told him I was too big and for us to sit close and hold hands, and he would tell me stories. I will forever treasure seeing aunt Maggie and Uncle Johnny holding hands after so many years and how much love he had for her, and everyone around. Love you always, Sherry Ann*
